Mr. Cirian,

On behalf of CFAC, Roux is providing the attached additional responses to EPA and MDEQ comments on the Phase II Sampling and Analysis Plan (Phase II SAP) for the RI/FS. These responses were discussed during our conference call on April 19, 2018 as documented in the meeting minutes. Additionally, Roux is providing the attached responses to USEPA's risk assessor's comments.

Pending any additional comments from EPA/MDEQ, Roux will proceed with finalizing and submitting the Phase II SAP next week.
